the diagonal. WINGIS reports that an undetermined portion of the site may be located in an AE Flood Zone. An AE Zone is defined as an area inundated by 100-year flooding for which no BFE's have been determined. A BFE is defined as Base Flood Zone Elevation. If developed, flood insurance may be required. It is recommended that a legal determination be made by the owner. The value developed herein assumes the subject site can be developed to it's highest and best use.

· GP Land: Market Area - Comments

The subject property is a vacant out lot in the Cherry Vale Mall Regional Shopping Center. It offers close proximity to I-39/I-90 tollway access and U.S. Route 20 a primary east/west highway that connects the subject market area with communities both east and west. U.S. Route 20 provides good access to communities to the west including Freeport, Lena, Stockton and as far west as Galena and the Mississippi River. Also, I-39 provides access various tollways and expressways including I-88, I-80 and southern Illinois. I-90 provides access to communities to the north of Rockford and into Wisconsin.

The overall market has seen some improvement after many years of stagnation. The majority of new commercial/retail development is in the area near E. Riverside Boulevard and I-90 where the new MercyHealth Complex was constructed and opened in early January 2019. This has spurred development in the vicinity with a new hotel, currently under construction, a Casey General Store Gas Station/C-store, and a recently completed Costoo Retail Development. Some of the highest prices involving land sales have been along the E. Riverside Corridor between Mulford Road on the west and Paulson Road on the east.

• GP Land: Site Description - Zoning Description

Commercial General allowing for a variety of commercial/retail uses including but not limited to restaurants, including drive-in; veternairy hospitals/offices, liquor establishments, automotive service stations. Please refer to Winnebago County Zoning Ordinance for complete details.

GP Land: Site Description - Summary of Highest & Best Use

The subject is located in an area of compatible retail/commercial uses surround the CherryVale Regional Mall. Other out lots in the CherryVale Mall consist primarily of gas station/C-stores, full service restaurants, and fast food restaurants including Burger King, Dairy Queen, Taco Bell and Arby's. The subject site is vacant and has no improvements. The subject offers an irregular shape and is smaller in size than the typical commercial site offered by the surrounding retail uses. For this reason, the subject site has limited developmental potential. The highest and best use of the subject if developed would be for possible assemblage with adjoining properties that would increase the development potential for commercial/retail use consistent with the permitted uses under the zoning ordinance when market conditions warrant.

• GP Land: Summary of Sales Comparison Approach

Relatively few sales of commercially zoned land have taken place in the Rockford Metro Area over the past several years. Recently, sales activity has increased somewhat in the gas station/C-store sector with Circle K and Casey's General Store entering the Rockford market. Overall, values for commercial land were relatively stagnant for several years. Although land values have shown some increase overall the higher values, relate to location of the sales including synergy received from being close to developing areas such as that located near the new MercyHealth Campus at E. Riverside and the tollway. That development, as well as the new Costco that recently opened at E. Riverside and the tollway has spurred additional development in the retail and services sectors. This includes lodging with a new Home2Suites hotel under construction at the NWC of E. Riverside and the tollway and a new Casey's General Store located across the street from the new Costco. The highest per square foot sale prices have been in this area and further west on E. Riverside near N. Perryville Road and E. Riverside. Overall, new gas station/C-stores being developed are showing land sale prices of between also resulting in sale prices per square foot between \$5.30 and \$9.97 per square foot.

Comp 1 is an out lot located in CherryVale Mall and is considered most comparable overall when compared to the subject with regard to general location and site area. The lot became vacant following the destruction of the existing building on the site by a fire several years ago. It requires significant downward adjustment for topography, flood zone and superior rectangular shape. After adjustment is sold for \$0.88 per square foot. This is the only sale of an out lot in the mall over more than 10 years. Comp 2 is the sale of a lot located approximately 2 miles north of the subject at Newburg and S. Bell School Roads. It was purchased for development with a Casey's General Store, gas station/C-store that is currently under construction. It is located in an area of higher average daily traffic counts. offers a superior rectangular shape, no flood zone and superior topography warranting significant downward adjustment. After significant downward adjustment an adjusted sale price of \$1.21/sf is indicated. Comp 3 is the sale of a corner lot located at the intersection of S. Perryville Road and Charles Street. Its corner location is considered superior to the subject due to multiple ingress and egress options. Average daily traffic count. topography, shape and lack of flood zone are also considered superior to the subject. After significant downward adjustment an adjusted sale price of \$1.00/SF.

The adjusted sale prices range from a low of \$0.88 for an out lot in the CherryVale Mall to \$1.21 per square foot for the gas station site located near the intersection of Newburg Road and S. Bell School Road.

Overall, significant downward adjustment was indicated for all sales. Approximately equal emphasis is placed on all three comps, resulting in a fair market value for the subject of \$1.00 per square foot. 42,081 sq. ft. x \$1.00/SF = \$42,081,say \$42,000.

Assumptions, Limiting Conditions & Scope of Work

OTATEMENT	OF A COLUMNIA DE LA C	ezee in eger brive, reckiola, it	. 01109	

STATEMENT OF ASSUMPTIONS & LIMITING CONDITIONS

- The appraise will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it. The appraiser assumes that the title is good and marketable and, therefore, will not render any opinions about the title. The property is appraised on the basis of it being under responsible ownership.
- The appraiser may have provided a plat and/or parcel map in the appraisal report to assist the reader in visualizing the lot size, shape, and/or orientation. The appraiser has not made a survey of the subject property.
- If so indicated, the appraiser has examined the available flood maps that are provided by the Federal Emergency Management Agency (or other data sources) and has noted in the appraisal report whether the subject site is located in an identified Special Flood Hazard Area. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.
- The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand.
- The appraiser has noted in the appraisal report any adverse conditions (including, but not limited to, the presence of hazardous wastes, toxic substances, etc.) observed during the inspection of the subject property, or that he or she became aware of during the normal research involved in performing the appraisal. Unless otherwise stated in the appraisal report, the appraiser has no knowledge of any hidden or unapparent conditions of the property, or adverse environmental conditions (including, but not limited to, the presence of hazardous wastes, toxic substances, etc.) that would make the property more or less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied, regarding the condition of the property. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the appraiser is not an expert in the field of environmental hazards, the appraisal report must not be considered as an environmental assessment of the property.
- The appraiser obtained the information, estimates, and opinions that were expressed in the appraisal report from sources that he or she considers to be reliable and believes them to be true and correct. The appraiser does not assume responsibility for the accuracy of such items that were furnished by other parties.
- The appraiser will not disclose the contents of the appraisal report except as provided for in the Uniform Standards of Professional Appraisal Practice, and any applicable federal, state or local laws.
- An appraiser's client is the party (or parties) who engage an appraiser in a specific assignment. Any other party acquiring this report from the client does not become a party to the appraiser-client relationship. Any persons receiving this appraisal report because of disclosure requirements

applicable to the appraiser's client do not become intended users of this report unless specifically identified by the client at the time of the assignment.

- The appraiser's written consent and approval must be obtained before this appraisal report can be conveyed by anyone to the public, through advertising, public relations, news, sales, or by means of any other media, or by its inclusion in a private or public database. Possession of this report or any copy thereof does not carry with it the right of publication.
- Forecasts of effective demand for the highest and best use or the best fitting and most appropriate use were based on the best available data concerning the market and are subject to conditions of economic uncertainty about the future.

The Scope of Work is the type and extent of research and analyses performed in an appraisal assignment that is required to produce credible assignment results, given the nature of the appraisal problem, the specific requirements of the intended user(s) and the intended use of the appraisal report. Reliance upon this report, regardless of how acquired, by any party or for any use, other than those specified in this report by the Appraiser, is prohibited. The Opinion of Value that is the conclusion of this report is credible only within the context of the Scope of Work, Effective Date, the Date of Report, the Intended User(s), the Intended Use, the stated Assumptions and Limiting Conditions, any Hypothetical Conditions and/or Extraordinary Assumptions, and the Type of Value, as defined herein. The appraiser, appraisal firm, and related parties assume no obligation, liability, or accountability, and will not be responsible for any unauthorized use of this report or its conclusions.

Additional Comments (Scope of Work, Extraordinary Assumptions, Hypothetical Conditions, etc.):

Legal descriptions and a Plat of Survey were not provided the appraiser. The subject site area, dimensions and other physical characteristics were obtained from WINGIS and are assumed to be correct as reported.

Re:

Appraisal of Various Vacant Commercial Lots and Bello II Residential Lots. Rockford, IL

The intended use, or function, of the appraisal is to provide the estimated "as is" market value for the above-referenced real estate. The parcels to be appraised are listed on the attached sheet.

The fee will be \$7,000 due upon receipt of the appraisals, with a delivery date no later than the end of the business day October 15, 2019. Please execute two copies of this engagement letter.

The completed appraisals will be delivered to you in person at the location decided.

Compliance: The report will be developed to reflect good appraisal practice and comply with the Uniform Standards of Professional Appraisal Practice (USPAP) and Title XI of the Federal Financial Institutions Reform Recovery and Enforcement Act of 1989 (FIRREA) giving special attention to the guidelines set forth by the Comptroller of the Currency's (OCC) Standards of 12 CFR, part 323.

Page 2

Please sign and two copies of this letter as your acceptance of this assignment in accordance with the terms outlined herein. One executed copy is for your files.

Sincerely,

Ship M. Will
