Hi Todd,

Please see the attached rooms on the books for 2027!

Color code below:

Blue: Owner held night

Yellow: Available night (none)

Green: Sold night

The nights of October 12th and 13th we're available when I ran the report. I went ahead and blocked those two nights under your name for the time being (reflected as blue in attached) but can release if you'd like them sold.

Let me know if there are questions.

Thank you!

Courtney Winters
